

Wireless Internet access

Wireless Internet access is available in the following areas:

- All Classrooms in the Long Administration building
- Calian Hall (common areas, and most rooms. All rooms are wired if signal does not reach your laptop.)
- Library
- Cafeteria
- Basfield and Starr Dining Rooms
- Small Dining Room
- President's Dining Room
- McNaugher Lounge
- John Knox Room
- The Shakarian lounge
- Chapel Auditorium

The network is named PTS_Wireless.

Wireless Internet is also available to all residents of Fulton, Highlander, Anderson, and McMillan. The access points are named based on what building they are in (FLS2 – Fulton; HLS2 – Highlander, etc.)

What you need to connect:

- Any 802.11b or 802.11g compatible wireless adapter installed on your PC or laptop.
