

THE END OF ADAM AND EVE: THEOLOGY AND THE SCIENCE OF HUMAN ORIGINS

AN ONLINE CLASS

Instructor: **Ron Cole-Turner**, H. Parker Sharp Professor of Theology and Ethics, PTS

Dates: Oct. 24-Nov. 18, 2016

How did God create human beings? Recent advances in the science of human origins offer exciting new insights into how we evolved. Who were the Neandertals and is it really true that we are partly descended from them? How does Jesus Christ unite and redeem humanity?

In four sessions, two focused on science and two on theology, we will explore a theology of human creation and redemption based on science and on Christian faith.

The class will be self-paced and available for participants to engage with the instruction at their own convenience, i.e., offered asynchronously, no set times that you need to sit in front of your computer.

Register early! Enrollment is limited to 15 students.

REGISTRATION DEADLINE (EXTENDED!): OCT. 17, 2016

Fee: \$85

CEUs: 1.0

Interested in other online classes? Check out **Reading the Bible with Barth**.
