"Born and raised in Des Plaines, Ill., I grew up in the Catholic Church and am currently serving as a student pastor with a Baptist congregation in Braddock, Pa. As an MDiv student, I am grateful for the support of Pittsburgh Theological Seminary donors who are helping to shape my educational experience.

Financial aid was an important factor in my decision to attend Pittsburgh Seminary. The generous financial aid package helps me commit to my studies instead of worrying about applying for and eventually repaying student loans.

Donations to the PTS Annual Fund are a direct investment in the future of the church. These donations have the ability to motivate astute individuals in ministry with the intellectual and spiritual maturity in speaking the Word of God." - Abby George, M.Div. Student

Thank you for supporting our mission of forming and equipping both people for ministries familiar and yet to unfold and communities present and yet to be gathered.

GIFTS OF STOCKS

Next to cash, appreciated stocks and bonds are the assets most frequently donated to Pittsburgh Seminary. Making a gift of securities is both simple and tax advantageous. With a gift of appreciated securities, you are entitled to a federal income tax charitable deduction if you itemize your return. For appreciated securities held longer than one year, you may deduct the full fair market value of your gift. A second tax benefit with a gift of appreciated securities is that you avoid paying any capital gains tax on your investment.

Your gift of appreciated securities may be donated by mail, in person, or electronically. If you would like to make a stock gift, please call 412-924-1460 for more information. If you intend to make a stock gift via electronic transfer, please notify Dominick Oliver, director of development, at [Click to view e-mail](#) or 412-924-1460.
