

REFRESH YOUR GREEK OR HEBREW OVER LUNCH

Join us over lunch to refresh your biblical Hebrew and/or your New Testament Greek by reading together selections from the Bible and reviewing essential points of grammar. Offered as a hybrid class, the sessions will alternate between face-to-face meetings one week and online sessions the next. We are excited to offer this new experience and expand upon the resources that can be made available to participants in the class via online material. If you are out of town and would like to participate, we can even Skype you in for the face-to-face sessions! *Because of the online component, the class **registration deadline is March 1, 2017**, to allow time for establishing the access to the online venue and sending instructions to students.*
