

SOWING SHALOM IN OUR OWN BACKYARD

Join us for a conversation with church planter, pastor, and educator Dan Steigerwald!

As the Church continues to lose its voice and influence across America, we face a growing urgency to re-engage our neighborhoods and cities. To do this, churches must become adept at growing local missionaries to be agents of God's shalom. This requires us to not only awaken the body of Christ to its calling in the world, but to also equip congregations in practical behaviors that infuse God's good news into their everyday lives and communities. Please come and join us as we interact over how we might be such people, in Jesus' name.

Wed., Dec.3, 2014, 7:00-9:00 p.m. -- John Knox Room

This event is free and open to the public; however, we appreciate registration to plan appropriately. For registration and more information, please click [HERE](#).
