

SUMMER YOUTH INSTITUTE

The Miller Summer Youth Institute gathers 25 rising high school seniors and college freshmen from across the country to participate in our two week program. The participants will live in the Seminary's residence hall along with the SYI staff made up of college and Seminary students who are also SYI alums. The program is designed to form an intentional Christian community where young people can be challenged to move beyond their comfort zones in order to grow in faith, engage in academic theological study, explore ministry, and learn about Pittsburgh Theological Seminary. In addition to times of study and reflection, you will have the chance to participate in outstanding recreation events, or shall we say, have fun! For more information, visit the PTS website at www.pts.edu/SYI_Info.
