Notes

* In person option will only be possible if public health conditions and Seminary policies permit and will revert to remote delivery if necessary.
In person classes will be offered in high-flex, which means students who prefer to attend remotely will be able to do so.

All synchronous sessions will meet within scheduled windows but may not meet for the full class period. Please contact course instructors for more detail.

HT 402 and TH 498 will be delivered high-flex -- the classes will meet in person with remote access for those who prefer not to come to campus.

Courses that appear in **BOLD** print are offered in the evening.

Definitions

- In person/high flex: sessions will meet face to face. Students who prefer to attend remotely will have synchronous access via Zoom.
- Synchronous: sessions meet live (with instructor and other students) at the time the class is scheduled, often via Zoom.
- Asynchronous: students access course material for the week at a flexible time. material delivered in a variety of formats including recorded lectures boards.
