

HOUSING

Participants should make housing reservations at the time of registration by contacting our Hospitality Office at 412-924-1397 or reception@pts.edu. Housing on campus is limited so do not delay in making these arrangements. All guest rooms can accommodate double occupancy if you wish to share space with another participant. The Office of Continuing Education will **not** make housing arrangements for you.

MEALS

Please refer to the program description as to which meals are covered in the program fee. Please let us know at the time of registration if you have any dietary restrictions.
