

2022 WORLD MISSION INITIATIVE CONFERENCE AND W. DON McCLURE LECTURE Missional Leadership in a Time of Disruption

KEYNOTE SPEAKER

The Rev. Eugene E. Cho
President / CEO
Bread for the World

In Person and Online Oct. 7-8, 2022

What does it mean to engage in God's mission of love, peace, and justice through the major disruptions of our day? How can we lead in mission in new ways amidst the disruption we've experienced in the past two years?

The past two years have brought a seismic shift in many areas that touch each of us and our churches: a pandemic that profoundly disrupted not just health systems and supply chains, but the stuff that binds us together in community; the social awakening on issues of racial injustice after the murder of George Floyd, the rise of Christian nationalism just to name a few. Join us for this important discussion!

Workshops Topics: leading through disruption, resources for relevant missions, mission and resistance, short term missions, and recalibrating your church's mission. Conference participants can pick up to two from a variety of workshops offered during the conference. Workshops will be taught by mission leaders and Pittsburgh Theological Seminary staff and faculty.

Registration is free. Sponsorships are available to help defray the cost of the conference.
