

HOW TO HOST A VIRTUAL WATCH PARTY

Get your community together and join us for the "Jesus Christ and the 'Dividing Wall': Race and God's Mission" Conference (#WMIRaceandMission)

REGISTER ONCE FOR YOUR GROUP/CHURCH/COMMUNITY

A pastor or group leader can sign up for free and get access to the four, weekly, national presentations (with discussion) for everyone in your small group, campus ministry, Bible study, etc. Details and registration are online here: pts.edu/wmi-conference. Begin praying for hearts to open to the Spirit's work in your group and across the nation.

INVITE YOUR COMMUNITY TO JOIN THE DISCUSSION

Create a virtual meeting (via Zoom, Google Hangouts or other platform) you can use for your church/group's local conversation, following each week's national presentation and Q&A. Then send an email to members of your group with two links:

1. The national presentation link (including the phone numbers for those who will just dial in) we will send you on Oct. 2nd, 5th, 12th, 19th and 26th (to be used for each national presentation and Q&A at 7:30 p.m. EST) and
2. Your group's own link for follow-up conversation (to begin at 8:30 p.m. EST), using follow-up questions we will send to leaders in advance.

WATCH THE NATIONAL PRESENTATION AND Q&A LIVE AT 7:30 PM EST

Everything is online so you can participate from the safety and comfort of your own home. National co-moderators will dismiss participants to join their local group for follow-up conversation.

DISCUSS WITH YOUR COMMUNITY (VIRTUALLY/IN-PERSON)

After each Wednesday's national presentation, there will be time for participants to discuss within their own local church/group what they've heard, using the leaders' guide with discussion questions we will provide. By creating a virtual meeting in advance (via Zoom, Google Hangouts or other platform), your group will be prepared to move directly into the local discussion as soon as the speaker wraps up. Note: your local conversation will provide a space of significant learning as your participants work to understand and apply the ideas presented. Each evening concludes once you done with your conversation. You don't have to rejoin with the national group. Let us know how we can help.

HOPE YOU CAN JOIN US!
