W. Don McClure Lectures and World Mission Initiative's Month of Mission Series

Looking for tools to lead your congregation or student group into deeper conversation on how racial injustice and racism at home impact God's mission in the world? Join us online October 7, 14, 21, and 28 at 7:30 p.m. (ET) to hear speakers Brenda Salter McNeil, Jonathan Wilson-Hartgrove and David Camp. In addition to the four presentations, there will also be five pre-recorded workshops that can be accessed and used in the future by participating churches and individuals to go deeper in the intersection of racial justice and God's mission.

We encourage you to organize "watch parties" and gather friends for guided discussions each Wednesday evening in October following the plenary presentations. The event is free to everyone, however, you must register to attend. You can register once for the entire series.
