MESSAGE FROM THE VICE PRESIDENT FOR SEMINARY ADVANCEMENT

Every gift that the Seminary received has enabled us to teach, to do research, and to enrich communities today and into the future. All of the donations that have been given year over year are not only appreciated, but also help the Seminary to evolve and grow. There is never a limit to how often one can say, "THANK YOU." We marvel at the wonderful opportunities that have been provided through the generosity of many. PTS is grateful for all that our donors have done and continue to do.

At the end of each fiscal year, members of the Seminary administration reflect upon the year that has concluded. We take the time to discuss the impact that so many individuals, congregations, foundations, directors, and others have made on the Seminary by their fiscal contributions. We are well aware of what these gifts have allowed PTS to do, and your faithfulness in trusting that we will continue to be obedient to our mission in being "a community of Christ joining in the Spirit's work of forming and equipping people for ministries familiar and yet to unfold and communities present and yet to be gathered."

As a Seminary, we honor and acknowledge the generosity of all who have given and continue to give, and encourage others who may be interested in giving to learn more about how gifts can alter the trajectory of the Seminary, the students, the faculty, and many others.

Again, we say "THANK YOU" for the gifts that have been received which allow for Pittsburgh Theological Seminary to continue to be and grow into the seminary that prepares students to participate fully in God's work in the world.

The Rev. Charles L. Fischer III
