FINANCIAL AID MENU

Finances can be a stress not only while you are in school, but once you graduate as well. While we do our best to remove those financial stressors while you are here, we can't always be there in the same way after you graduate. Instead, it is our desire to equip you with tools and knowledge so that you feel prepared and confident in the financial decisions you will have while you are in school and for life after.

PTS has teamed up with Inceptia to give you a leg up on financial education via their online program, **Financial Avenue**. Financial Avenue provides you with smart resources to help demystify the world of personal finance. Getting a handle on your money doesn't have to feel overwhelming or restrictive. It's all about empowering yourself with smart basics, and planning from there.

With Inceptia's money mascot, the Knowl, as your trusty guide, you will have access to 10 online courses that take on big financial topics, including:

Psychology of Money

Foundations of Money

College and Money

FAFSA

Loan Guidance

Earning Money

Credit and Protecting Your Money

Spending and Borrowing

Debt and Repayment

Future of Your Money

Sometimes financial education can be boring and it doesn't always make a lot of sense if you don't know how to put your knowledge into action. But, Financial Avenue provides quizzes, videos, interactive tools, and customized action plans at the end of each course. With all these tools, we've made it pretty easy to know exactly what you can begin doing *right now* to put your financial knowledge to good use.

GETTING STARTED

All PTS students, faculty, and staff are able to access the Seminary's personal Financial Avenue page by clicking on the link provided on the Financial Aid page in the MyPTS portal. If you have problems locating it, please reach out to the Financial Aid Office.
