## MASTER'S DEGREE PROGRAMS

### MASTER OF DIVINITY (M.DIV.) DEGREE

The master of divinity (M.Div.) degree is a professional program that prepares students for ordained ministry and general pastoral and religious leadership in congregations and other settings. Coursework offers deep integration between classical theological disciplines and the missional nature of ministry. The program provides venues and tools for vocational discernment and for formation in the Christian tradition. When followed on a full time basis, students normally complete the program in three years. In supervised field education experiences students practice ministry through direct involvement in congregations and other settings.

### MASTER OF THEOLOGICAL STUDIES (M.T.S.) DEGREE

With flexibility to tailor the course of study, the master of theological studies (M.T.S.) degree program provides a focused understanding of one or more theological disciplines for further graduate study or for general education purposes. At the end of the two-year program, students complete a final project that explores more deeply a chosen area.

### MASTER OF ARTS IN PASTORAL STUDIES (M.A.P.S.) DEGREE

The master of arts in pastoral studies (M.A.P.S.) is a graduate-level, two-year degree program that equips students for leadership in ministry in congregations, non-profits, and other settings. The program provides grounding in core disciplines and the ability for a student to select from a variety of ministerial electives to suit their interests and vocational needs. Students produce a final project related to their ministerial context and complete one year of field education.
