

THE AMERICAN RELIGIOUS LANDSCAPE *CONVERSATIONS AND COMMUNITY SERIES*

DATES

One day each month between October-December 2019 and February-March 2020

OVERVIEW

The Pew Research Center reports that the Christian share of the U.S. population is in decline, while other religions and those who identify as “none”, are on the rise. Being an effective faith leader and a good neighbor involves knowing how to navigate this changing landscape socially and theologically. Join us for an introduction to this work and to some of the faith traditions which comprise our region. The November, December, and February sessions will be held at houses of worship in the Western Pennsylvania area.

You can register to attend the entire series of all 5 events or for one or more individual sessions as your schedule allows. All sessions are

free. When visiting houses of worship, we will collect a freewill offering to thank our hosts.
